Fall 2011

Buttons Update: I cannot believe that it has already been 4 weeks since the 2011 season ended. We had a great season filled with exciting events like Colour Wars, Survivor Day, Safari, Murder Mysteries and Superhero Day. Our staff was one of the most experienced and enthusiastic of all time. It was truly an amazing summer.

As I sit here getting ready for the 2012 season, I am happy to announce that we are excited to welcome Kelly Mathews to our team as our new consultant. Kelly brings to us special event planning experience through her company Leverage Consultants, Inc., and many years in the camping industry including operating three Ontario camps for the Canadian Diabetes Association. Kelly will be assisting us in obtaining grants to help underserved populations attend camp when they otherwise would not be able to. She will also assist us in recruiting staff and campers for the 2012 season. Welcome Kelly!

To assist you in sending your girls to camp next summer, we have decided to offer "Choose Your Own Session(s)" and a three tiered fee schedule. We are offering 6 weeks of sessions from July 8 - August 19th. You can combine any number of weeks into your own calendar and create your own vacation. The three tiers are based on one week of attendance and include options of full payment, partial subsidy and full subsidy. You choose your number of weeks and the tier you can afford and multiply. Easy as pie! Just as before, the rates include HST and one t-shirt per camper. Check out our website and register today!

In the summer 2011, we were lucky enough to purchase a gently used sailboat for our waterfront and continue to search for additional canoes and sailboats to add to our program. Though our budget is small, if you know of someone who is looking for a new home for their equipment, please pass on our information.

Remember, to keep Camp Diamond alive for years to come we need your support and referrals. Please pass on our information to any friends and family and encourage them to send their girls to camp. The values we teach at Camp Diamond today will create leaders for tomorrow.

Best of luck to you all and we wish you the best in the New Year. Come back to see us again!

Sincerely,
Suzanne "Buttons" Slater
Director
